*The schedule is subject to change at anytime based on enrollment.  
For exact placement, please talk with Julie or another instructor to ensure the  
class is the right fit for the rider and that there is space.*

All riders must plan to arrive 20 minutes before your lesson time begins and plan to stay up to a half hour after the lesson to cool your horse down and put him away. Leadline Riders can arrive at 12:30, no need to come earlier.
